Work Experience

WALT DISNEY WORLD RESORT, Lake Buena Vista, Florida   May, 2019 — Present
Attractions Hostess

- Creating a diverse and inclusive work environment in my area by being a member of the Sunset Inclusion Council.
- Supporting Cast by being a VOICE Advocate for Sunset Boulevard Attractions Cast.
- Proficiencies at The Twilight Zone Tower of Terror, Theater of the Stars, Mickey and Minnie's Runaway Railway, Star Wars Launch Bay, Walt Disney Presents, and Sunset Holiday PAC.
- Ensuring Guest and Cast safety through safe practices, ensuring safe ride motion, and authorizing and monitoring access to the ride path.
- Facilitated efficiency while maintaining a balance of Company needs and Guest preferences.
- Memorizing and delivering spiels of varying lengths to large groups. Multitasking and quick problem solving, and providing directions for attraction evacuations.
- Received 19 Recognitions from Cast Members in various Lines of Businesses for displaying Disney's 5 Keys.

PALM BEACH COUNTY SCHOOL DISTRICT, West Palm Beach, Florida   Summer, 2016
Temporary Technology Assistant
Technologies Used: JavaScript, NodeJS, MongoDB, WordPress

- Worked with a Research & Development team to explore how to use NodeJs to provide solutions for the district's internal products.
- Designed and developed a mobile-first application a NodeJs MEAN stack.
- Assisted with the migration of the District's website to a WordPress site and documented each migrated page with Excel.
- Created an inventory of the contents of the District's eForm system and documented each form's details in depth with Excel.

PALM BEACH COUNTY SCHOOL DISTRICT, West Palm Beach, Florida   Summer, 2015
Temporary Student Vocational Intern
Technologies Used: SQL, C#, PHP, Microsoft Azure
- Provided backend API development support for internal projects which were deployed on Microsoft Azure.
- Created ER diagrams and consulted with the development teams to create project specific databases.
- Worked with the development team to resolve issues and assisted in testing of applications.
